

Name	Martin Bartak
Photograph	
Email address	<a href="mailto:martin.bartak@fs.cvut.cz">martin.bartak@fs.cvut.cz</a>
IBPSA affiliation	Czech Republic
Position and function in IBPSA local/world	President of IBPSA-CZ Member of IBPSA Awards and Fellows Committee.
Member of IBPSA since..[year]	1999
Affiliation	CTU in Prague, Dept. of Environmental Engineering
Short paragraph describing background and interests not exceeding 200 words	<p><i>Martin Bartak has earned master degree in mechanical engineering and PhD degree in environmental systems engineering. He works at Czech Technical University in Prague, Department of Environmental Engineering.</i></p> <p><i>He teaches master courses on ventilation aerodynamics, heat and moisture transfer in buildings, computational fluid dynamics and building performance simulation for students of two study programs – Intelligent Buildings and Environmental Engineering – at CTU in Prague. He also advises PhD students.</i></p> <p><i>His research is focused on modeling and simulation of indoor air flow, thermal comfort and indoor air quality using both CFD and multi-zonal computational methods. He is author or co-author of more than 100 conference and journal papers.</i></p>
