

Name	A. Zerrin Yılmaz
Photograph	
Email address	yilmazzer@itu.edu.tr
IBPSA affiliation	IBPSA Turkey – Building Performance Modelling and Simulation Association
Position and function in IBPSA local/world	President in IBPSA Turkey
Member of IBPSA since..[years]	2010
Affiliation	IBPSA Turkey
Short paragraph describing background and interests not exceeding 200 words	Zerrin Yılmaz, has been working in the Physical Environment Control Department of the Istanbul Technical University, Architectural Faculty since 1979. She has worked with the “Lawrence Berkeley Laboratory Passive Solar Group” between the years of 1983 and 1984. She has more than 100 national and international publications about energy efficient design, building physics, solar energy usage in the buildings and condensation control. She has directed national and international research projects like CITYNET EU Project, which is chosen as a star project. Furthermore, Professor Yılmaz has coordinated the group of researchers which has developed the Net Energy Need Calculation Module of BEP-TR, National Building Energy Performance Calculation Methodology for Turkey.
